

The health and safety of the residents and employees of the County of Imperial are my primary concern. Therefore, as part of the nationwide effort to halt the spread of the COVID-19 coronavirus, the Treasurer-Tax Collector's Office will NOT be open to the Public from March 20, 2020 through March 31, 2020. These dates are subject to change at a later date.

We understand and share the public's anxiety and concern about the impacts of the 2020 COVID-19 pandemic. Our hope is that we all stay safe during these uncertain times. Unfortunately, the Imperial County Tax Collector cannot change the April 10th deadline for the Second Installment of Property Taxes which is established by State law. Furthermore, critical county services, schools and local financial obligations are dependent on these scheduled revenues.

Imperial County does have the authority to waive penalties, costs or other charges resulting from tax delinquency due to reasonable cause and certain circumstances related to this crisis. Property owners who anticipate tax payment delinquency should contact the Tax Collector's Office at 442-265-1270.

For your safety and the safety of others, we strongly encourage you to make property tax payments online or over the phone. **Second Installment Property Tax payments are due no later than April 13, 2020.**
